

## **About House to Home:**

House to Home (formerly known as the One Roof Rally) is the annual fundraiser held by Midland Area Homes. In 2017, we are focusing on items for the home and garden with an emphasis on up-cycled, repurposed, and reinvented pieces, along with donations from area businesses and artists. We will auction the items at the event. All of the proceeds will directly benefit Midland Area Homes. In 2016, 250 people attended the event, and we raised \$50,000. Our 2017 goal is to raise \$60,000!

When: Thursday, May 18, 2017

Time: 5:00 pm-7:30 pm

Where: Great Hall at Valley Plaza

5221 Bay City Road

Midland, MI 48642

## **About Midland Area Homes:**

Midland Area Homes (MAH) is a private, nonprofit corporation that helps low-income Midland County residents maintain and improve housing conditions for safe and independent living. This is accomplished with the support of churches, local and government agencies, and community volunteers.

In 1969, MAH was formed to serve as the community focal point to improve the housing conditions of low-income residents. It is the designated central intake and housing assessment and resource center for homeless and high-risk residents with housing problems in Midland County.

We offer services to help those in need secure and keep adequate housing and maintain decent living conditions. Programs include:

- Minor home repair and accessibility ramp construction
- Housing stability/homelessness prevention programs
- Home to Stay mentoring program
- Used furniture collection and distribution

When community members need help with housing, there's no place like Midland Area Homes.
